WINEMAKERS COMMITTED TO THE ENVIRONMENT AND TO BIODIVERSITY

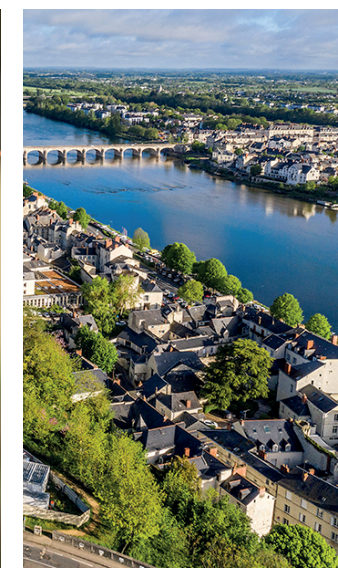

- ▶ Biodiversity hedgerow planting
- ▶ In 2008 : first AOC of France with vegetation cover or tillage between rows made compulsory
- ▶ Collective tools to track biodiversity and weather data
- ▶ Installation of nesting boxes for bats and chickadees

A YEAR WORTH OF WORK

Loire river

CABERNET FRANC LOIRE TUFFEAU

Here, in the heart of the Loire Valley, the Cabernet franc takes its freshness and complexity from the Tuffeau stone. This limestone rock provides our Saumur-Champigny wines with soft and silky tannins. The blend of Cabernet franc and Tuffeau reveals the unique personality of our wines.

FIND OUR WINES in wineries, wine shops and restaurants all over France and in many countries!
